Note that this assignment will not be collected or graded but you might be asked related questions in pop quiz.

1: Command line

Finish the tutorial on command line at `https://philchodrow.github.io/cos_2017/1_terminal_and_git/Introduction%20to%20terminal.pdf`

2: Git and Github

Watch Git essential training course by Kevin Skoglund at `https://www.lynda.com/`.

3: Your Github ID

Add your github ID to Google doc. We will not be able to grade next assignments if you do not complete this step.
